

Hi Patti and Rick,

I'm excited to share with you the schedule of events for our time together in Napa Valley. You'll find the week is jam-packed with a mix of old, new and *tons* of elevation.

The week begins on Friday evening with a wine tasting hosted at the Calistoga Ranch followed by dinner at their hilltop restaurant, The Lakehouse. We'll dine at Mustards Grill on Saturday afternoon before departing for WinePAWlooza.

On Sunday morning we venture atop Pritchard Hill for a tour and tasting at **NINE SUNS**, in which proprietors Jason and Flora Chang will host us. The Asian-inspired winery is one of Napa Valley's hottest new properties. We're going old-school Sunday afternoon at **CONSTANT Diamond**, where Julie Elkeshen is coming in on her day off simply to visit with us.

Monday morning brings us to **Marston Family Vineyard**, an exclusive Spring Mountain property. Elizabeth Marston runs the winery with her husband James Leahy, who was once vice-president of the Spring Mountain AVA. The Leahy's are universally adored and passionate Napa Valley advocates. Elizabeth will host us, but I'm hoping James will join in the fun as well.

Monday evening will bring us to **The Charter Oak**, the newest venture from three-star Michelin Chef Christopher Kostow and his right-hand man Nathaniel Dorn. The pair, who operates The Restaurant at Meadowood, has envisioned The Charter Oak as the casual alternative to their elegant flagship. The Charter Oak is housed in the completely renovated former home of Tra Vigne.

We have the honor of dining with **Genevieve Bechtold** at Redwood on Tuesday afternoon. Genevieve, like Alex, is the quintessential 'party in a package.' She's the director of Client Relations at **Memento Mori**. Trust me when I say, no one has as much fun living life as Genevieve.

Tuesday evening, **Austin Gallion** and his wife Lindsay are hosting us for a **private dinner** at their downtown Napa home (about a 30 min drive from Calistoga). Austin as you may remember is Director of Hospitality at Vineyard 29. He's cooking!

My Napa Valley journey comes full-circle on Wednesday morning when Rebecca Martin and Emily Davies host us at **William Cole** for a unique and special experience. We will meet at the winery before being driven atop Howell Mountain where they are expanding their operations with a tasting facility and an exclusive Cabernet to debut in 2018. Once we've toured the area (which doesn't yet have covered/indoor tasting accommodations) we'll venture back to their St. Helena property to drink.

Please find the specifics below.

Looking forward to seeing you on July 28,
Jonathan
